

# The Painting of Modern Life

The Painting of Modern Life is a very good and very beautiful book. It deserves the closest critical attention. It is a book that will stir up passion and controversy. The Paris of the 1850s and 1860s was supposedly a brand-new city, equipped with boulevards, cafes, parks, and suburban pleasure grounds--the birthplace of those habits of commerce and leisure that constitute "modern life." Clark describes the painting of Manet, Degas, Seurat, and others as an attempt to give form to that modernity and seek out its typical representatives--be they bar-maids, boaters. The Painting of Modern Life: Paris in the Art of Manet and His Followers Paperback 7 Nov Clark describes the painting of Manet, Degas, Seurat, and others as an attempt to give form to that modernity and seek out its typical representatives--be they bar-maids, boaters.
