Mallorca is the largest of the Balearic Islands, basking in sunny splendour in the Mediterranean between Spain and Algeria. Although it is still a favourite destination for beach holidays, more and more visitors now go to explore the island's most dramatic mountain range, the Serra de Tramuntana. The GR221 - 'La Ruta de Pedra en Sec' or 'The Drystone Route' - is a brand new long-distance trail which makes a complete traverse of the Serra de Tramuntana. It follows old paths and mule tracks, linking delightful mountain villages, crossing rugged, limestone mountainsides, running through forests and passing dramatic cultivation terraces...
