

# Africa: mother of Western civilization. (African-American heritage series)

Craig Cunningham rated it ★★★★★ Nov 13, 2010

Dr. Yosef Ben-Jochannan is an incredible scholar. He has done such excellent work in the recovery of Ancient African history. His particular thesis demonstrates that Africa, as the Mother of Civilization, birthed much of the ideology of Western Civilization. Through the Middle Passage, much of the European slave traders denigrated Africans and African history, suggesting that African history contributed nothing to the world. Texts like Dr. Ben's text emphasize the importance and the major contri...[more](#)
